_____ Payment is due before services will be rendered. We accept Credit Cards, checks or cash. Class availability is first come, first serve.

_____ There is a flat rate charge for 30min and 60min class packages. You may use your 30min class package toward any 60min class even though there may be a minimal price difference. There will be two of your 30min classes used to cover costs. 60min class packages can also attend an 30min class but only that amount will be pulled rather than a 60min charge.

_____ All Private session and Class packages have an expiration. All classes or private sessions and packages are to be completed within a specific period and do not carry over to the next month. No refunds.

_____ Classes: There must be at least two people attending class in order for the class to make. Instructor can hold class for 30min rather than 60min class.

_____ 12-HOUR CANCELLATION POLICY: If you are going to miss a scheduled session with 12 hours notice, we will allow you to reschedule your private session unless instructor chooses to hold session. If your duet partner does not attend instructor can decide to provide a 30min session rather than 60min
